

D200

Lightweight and functional

The D200 is a **lightweight manual wheelchair made of aluminium**. Foldable for easy transport and storage without compromising on adjustment possibilities. The new design and carbon colour give it a modern and agreeable look for all.

VERMEIREN
we care for you

Products designed to suit you

Our basic principle is: the wheelchair must be adapted to you, not the other way around. That is why our wheelchairs are evolutive and an answer to your specific needs.

All types of wheelchairs can be adapted, have numerous options and can be fully personalized so that there is a wheelchair for every person. This is the result of our continuous research and experience since 1957.
